HEADTEACHER'S NEWSLETTER

Dear Parents,

WELLBEING AWARD

We are delighted to announce that we have been awarded the Wellbeing Award for the second time. The external assessor was very impressed with the way in which we prioritise the wellbeing of all. The assessor was delighted to see our wellbeing vision and strategy in action and could see how we support the emotional and physical wellbeing in school. Thank you to our parents, governors, children and staff who spoke to the assessor so positively about our wellbeing activities. It is clear to see that the children are helped to let their light shine!

SAFER INTERNET DAY

On Tuesday 7 February we will be taking part in Safer Internet Day 2023. Safer Internet Day is a campaign to promote the safe and responsible use of technology. Using the internet safely and positively is a key message that we promote in school and celebrating Safer Internet Day is a great opportunity for us to re-emphasise online safety messages.

To help you with this, the UK Safer Internet Centre have created some free activities and information for parents and carers that are available at: saferinternet.org.uk/SID-parents. Whether you have 5 minutes to start a conversation or hours to spare, there are top tips, quizzes and films that you can use at home with your child.

We have planned a wide range of activities for the children to complete on the day including assemblies led by our Digital Leaders, virtual assemblies by the BBC and expert speakers, the police and cyber security experts.

KS2 children will all have a piece of homework this weekend relating to the theme for this year, ***"Want to talk about it? Making space for conversations about life online"***. If you would like to speak to us about online safety at school or home, please contact your child's class teacher.
