2 February 2018

Dear Parents,

## YEAR 3 PARENT SACRAMENT OF RECONCILIATION

The sacrament of reconciliation will take place for Mrs Luckham's class and half of Mrs Farrell's class with surnames beginning with N-Z. The service begins at 10am.

## PARENT REFLECTION

Our next parent reflection session will take place on Friday 9 February at 9am. Please meet at the infant reception area where Mrs Redhead will meet you. Following our new classrooms being built we have moved our Rainbow Room to the previous Y2 classroom. The Rainbow Room is now much larger and can fit in lots more parents and children. It would be great to increase the number of parents and grandparents who come along to these sessions.

## STEM TEEN TECH

On Friday, 30 Year 6 children visited Loreto Grammar School to attend a STEM event called Teen Tech, City of Tomorrow. The children were challenged to create a building for the city of the future, thinking carefully about what their building would look like and how it would be smarter, kinder and safer for our environment. The children designed and created some fantastic buildings, including a futuristic aqua hotel and a community centre based in Manchester named The Beehive. We are very proud of the enthusiasm that the children showed for such an important event.

## SAFER INTERNET WEEK

Next week is our safer internet week. We have planned lots of exciting activities for the children to complete and will launch safer internet week in our assemblies on Monday. Please find attached a letter with more details.

## PTA

The second of the Infant Disco Nights and Junior Film Nights will be held tonight. The evening starts at 6:15pm for the Junior Film Night and 6:30pm for the Infant Disco. We will be using our newly installed sound system and projector purchased by our very own PTA.

Thank you to all of our volunteers who have offered to help run the evening. Your help is much appreciated.
