ST VINCENT'S PRIMARY  
SCHOOL

First of all we'd like to thank everyone for supporting the Easter Eggstravaganza and the Cheese and wine evening. We have raised a further £2,700 for the school from these events which will go to some amazing resources for our children! Thank you so much for your generosity both in terms of money and your time.

## FUNDRAISING UPDATE

### New fully accessible stages

We have purchased new, wheelchair accessible stages for both the infant and junior halls. These stages will enhance the experience of future productions, assemblies, concerts etc for both children and parents. We look forward to seeing our children benefit from them in the years to come!

### New books and library equipment

We are helping the school stock the library with new books, seating and shelving for the newly reopened junior library that all of the children will have the chance to visit.

### Forest school area

We have the funding in place for a brand new forest school area for our children, and the school is working with "We Are Adventurers" on the final designs.

## NEXT PROJECT - FOREST SCHOOL FUNDING

Forest school promotes hands-on learning, a deeper connection with nature and fosters creativity in a safe and stimulating environment. The PTA will contribute to funding forest school sessions for our children next year, as without our help the school may not be able to offer it due to funding cuts.

## FINAL EVENTS OF THE YEAR

05 Jul - Sports day juniors (Refreshments will be available to purchase)
